WELCOME TO LIFE ON CAMPUS

Peter Trentacoste
Executive Director, Residential Life

The past few years have renewed my belief that the on-campus, in-person, residential living experience is as relevant and essential as ever. And I can't wait for you to experience it at LSU!

As you make campus your home away from home, I want you to experience the best of LSU while living with us. My team's work is focused on supporting you the 153 hours you spend outside of the classroom each week so you can be rested, confident, and ready to excel inside the classroom.

From maintaining and investing in our 3 million square feet of residential space on campus to bringing new and inspiring programs to you right where you live, we intentionally make decisions based on what will support your transition into and through college, your academic success, and holistic personal development.

I hope you will take advantage of all the services and support staff your community provides. That you'll get involved, influence your living environment, and truly experience the best of LSU.

This handbook presents important information you need to know about the services, policies, and procedures for residential communities at LSU. Familiarize yourself with the information in this handbook and contact a Residential Life staff member with any questions or concerns. Your live-in community staff members are a great resource. Look for your residence coordinator in their office in your building, at community programs, and the dining halls!

Geaux Tigers!

LSU's Residential Life communities have established community standards, which are intended to promote the well-being and rights of all community members as well as maintain the facilities and physical surroundings in which the community exists. The in-community staff members lead their communities in upholding community standards.

Campus & Reporting Resources

LSU Cares - A Reporting Resource

LSU Cares is a university initiative dedicated to the well-being of students and promotion of a community that cares about each of its members. LSU offers an online reporting system at lsu.edu/lrucares to help students, faculty, staff, families, and friends submit reports about:

- Potential violations of the LSU Code of Student Conduct;
- Concerns regarding sexual misconduct and hazing;
- Concerns surrounding acts of discrimination;
- Complaints or grievances; and
- Concerns about students in crisis or distress.

Reports may be submitted by anyone with a concern about the LSU community. Reports may be submitted either with a person's contact information or anonymously. When a report is received, staff will review the details using a CARE approach (Communicate, Assess, Refer, Educate) and then determine a response that includes appropriate campus resources.

Residential Life staff members will lead the response for concerns that either involve a student living within a Residential Life community or that occurred within a Residential Life community.

The Lighthouse Program

225-578-5718 • lsu.edu/lighthouse

Housed in the Student Health Center, The Lighthouse Program provides free and confidential interpersonal violence prevention, support, and advocacy to the LSU campus community. The program assists student-survivors of sexual assault, interpersonal violence, stalking, and harassment.

Mental Health Services

225-578-8774 • lsu.edu/shc

Mental Health Service (MHS) provides clinical services that enhance LSU students' personal growth and development, address psychological needs, and support the pursuit of academic goals.

Located within the Student Health Center, MHS seeks to collaborate with campus partners and community resources to enhance the overall well-being of LSU students. Staff includes licensed professionals and graduate students from the fields of clinical psychology, clinical social work, professional counseling and psychiatry.

Medical Clinic

2255-578-6716 • lsu.edu/shc

The LSU Student Health Center is open and committed to meeting the health and wellness needs of students with visits in the Medical Clinic, Mental Health Service, and Wellness and Health Promotion. On-site Medical Clinic visits are available, by appointment only and on-site priority visits are available in Mental Health Service and Wellness and Health Promotion.

Office of Civil Rights & Title IX

The Office of Civil Rights & Title IX case management staff provides support, resources, and information on reporting options to any LSU community member who may have experienced discrimination, harassment, or power-based violence. Supportive measures can be provided to those who have experienced harm. Supportive measures are designed to restore and preserve equal access to educational or employment programs and activities. The Title IX Case Manager works with students, faculty, and staff to ensure that supportive measures are individually tailored to meet each individual's unique needs.

In an emergency, call LSU Police at 225-578-3231 or dial 911 (not confidential).

Reporting

Residential Life Staff Members

Residential Life staff members are mandatory reporters. Mandatory reporters are employees who have been designated to report incidents of sexual harassment, sexual violence, interpersonal violence, stalking retaliation, or other incidents of power-based violence.

Additionally, Residential Life staff members are Campus Security Authorities (CSAs). As a CSA, Residential Life staff members must report crimes that occur on campus to LSU Police Department. While staff members must report the location, date, and nature of the crime, they are not required to disclose the name of the victim unless the victim consents to their name being given.

Roommates & Suitemates

Living with a Roommate or Suitemate

Making the most of living in your Residential Life community starts with getting settled in and getting to know your roommate/suitemate. Whether you and your roommate/suitemate are friends, or you just met, developing a healthy relationship will help make living together more comfortable. While you and your roommate/suitemate are not required to become friends, sharing a living space will require you interact with one another on a daily basis.

Before You Move In

The relationship you have with your roommate/suitemate should start before move-in day. Prior to arriving on campus, try discussing what each of you plan to bring and what kind of relationship you're hoping to have with one another.

As excited or nervous as you may be to meet your roommate/suitemate, keep in mind that social media may not provide an accurate illustration of others. Grant yourself the opportunity to get to know this new person for who they truly are.

ACTIONS

- How early will you be waking up?
- How late will you be staying up?
- How often do you plan to be in the room?
- What do you plan to use the room for?
- When and where do you plan to study?
- What kind of environment do you need to study?

SPACE

- How often will we clean the room/apartment?
- Who will clean what?
- What items are you willing to share?
- What items are you not willing to share?
- What is your ideal temperature for the room or apartment?

GUESTS

- How do you feel about having friends and visitors over?
- How frequent do you plan to have guests and visitors over?
- What are your thoughts on having overnight guests?

COMMUNICATION

- How should we address conflicts between us?
- How will we confront each other?
- Does in-person communication work better for solving problems?
- How will we involve our Resident Assistant in working through our conflicts?

Living Together

Once you have made it to campus, take time to get to know your roommate/suitemate – this can be as simple as sharing a meal in the dining hall, attending a campus event together, or spending time together in your room or apartment.

Roommate Agreement

Residents are strongly encouraged to complete a roommate agreement within the first month of living together in eRezLife (lsu.erezlife.com).

The roommate agreement covers topics including ideal room temperature, guest preferences, privacy, and more. It is important to take this process seriously and to be honest and realistic during your roommate agreement conversation. These agreements serve as a conversational starting point and should be revisited frequently as relationships between individuals grow. The agreement cannot conflict with stated Residential Life or university policy but can be more restrictive based on the voluntary agreement of all roommates. Additionally, failure to abide by the roommate agreement does not equate to a policy concern but can warrant follow-up from Residential Life staff and referral to the Accountability Process.

Conflict Resolution

Resolving Conflicts

Throughout the year, there may be times when you and a roommate or suitemate may come to some sort of conflict. Conflict is normal and is even part of the healthiest of relationships. Your success as roommates is not based on whether you’ve experienced conflict, but rather how you and your roommate respond to it.

DISCUSS

Great roommates/suitemates openly communicate, respect one another, and willfully compromise.

The first, and most important step to conflict resolution is sharing concerns with your roommate/suitemate; it is possible that your roommate/suitemate may not be aware that you have this concern. When speaking to your roommate/suitemate regarding the issue, be sure to keep these tips in mind.

Be Mindful – Remaining respectful and using appropriate language will help you to solve the issue. Listen to learn, not to respond. Recognize when you need to take a moment to collect and process your thoughts on what has been discussed.

Go to the Source – It’s best to address problems with your roommate/suitemate, rather than express concerns to others who are not involved. Talking to others may only intensify the issue, instead of resolving it.

Use “I” Statements – “I” statements are simple and convey how you feel about the situation. For example, saying “Sometimes I can’t get enough sleep because you have guests over,” rather than, “You and your guests always wake me up and I can’t get enough sleep. It’s so annoying.”

Time Sensitive – It is important that you address the issues with your roommate/suitemate in a timely fashion. Typically, the sooner the better.

Acronyms – These acronyms are easy reminders and can be beneficial as you work through a conflict conversation with your roommate/suitemate. Each of these allow simple yet impactful words to allow a resolution to be worked towards.

BIFF	EAR
Brief	Empathy
Informative	Attention
Friendly	Respect

WORK TOGETHER

Even if you are the one initiating the conversation about a conflict, it is important to realize your role in the situation. Work with your roommate/suitemate to solve the conflict and make a commitment to listen to one another.

Actively Listen – Listen to understand and not to respond. Active listening is imperative to understand how one is feeling regarding the ongoing conflict. Active listening is best executed when the following occur:

- Removal of distractions.
- Resistance of interruptions.
- Respond with appropriate physical and vocal cues (i.e., head nod).
- Restate what they have shared.
- Ask follow-up and clarifying questions.

Collaborate on Solution(s) – Work together to find and establish a plan on how to avoid this ongoing conflict moving forward. Oftentimes, you and your roommate/suitemate have identical preferences on the expectations of the room. Be willing to compromise and collaborate to find that solution but stay true to yourself and your preferences.

Think for the Future – Dwelling on a past issue will not help make the relationship with your roommate/suitemate better. Create a plan to address any conflicts that may arise in the future.

CONSULT

You are not alone when living on campus; your Resident Assistant and other Residential Life staff members are here to support and assist you in resolving roommate/suitemate conflicts.

Use your Resources – If you have not yet resolved the conflict, your Resident Assistant can give you helpful techniques to use when speaking to your roommate/suitemate. Additionally, your Resident Assistant and the other Residential Life staff members in your communities facilitate conflict resolution interventions among roommates/suitemates.

Neighboring Residents – In-community Residential Life staff members encourage all residents to maintain contact and open communication with their neighbors next door, above, below, and across the way. This allows you to effectively communicate with neighbors and resolve minor interpersonal conflicts such as noise, cleanliness of the hallway, or shared common areas.

POLICIES

The rationale for all policies is to ensure that every resident can take advantage of the academic and co-curricular opportunities offered at LSU. Rules – whether they are state or federal laws, city ordinances, university regulations, or departmental policies – are created for the purpose of maintaining the safety and security of each individual in the community.

Residents and guests are responsible for becoming familiar with and adhering to policies outlined within the LSU Code of Student Conduct, Commitment to Community, Living on Campus Handbook, housing agreement, and all Residential Life and LSU policies available at lsu.edu/housing, lsu.edu/codeofconduct, and lsu.edu/policies. *If there are any questions regarding the departmental policies, please contact in-community Residential Life staff. We encourage dialogue to demonstrate support and to build community.*

- Appliance does not override the room/apartment's electrical outlet
- Appliance does not interfere with LSU's eduroam Wi-Fi signal

Electronics - Smart Devices

LSU's Wi-Fi security network requires a username and password to access. As such the network will not support most smart devices. Smart devices that do not support the WPA2-Enterprise specification for Wi-Fi Security will need to be connected to the internet via an Ethernet cord or on the IOT network.

Wireless devices like smart TVs, Rokus, Firesticks, etc., should be registered on the LSU IOT network. The LSU IOT wireless network gives you three (3) registrations to connect smart devices that can't connect to eduroam wireless network.

However, if your device can connect to eduroam (computers, phones, game consoles via LAN cable), it should be connected to eduroam, not LSUIOT. LSUIOT is not designed to handle the increased traffic from devices like game consoles or computers, so they are prohibited from connecting to LSUIOT. Game consoles should NOT be connected to LSUIOT.

Learn more at the LSU GROK Knowledge Base:

<https://networking.grok.lsu.edu/Article.aspx?ArticleId=17035>.

Wired Internet

Each room has at least one active internet port that can be used with a LAN cable.

Gaming consoles must be connected via LAN line and registered on the Device Registration Portal (DRP) at <https://drp.lsu.edu> to work on campus.

Commercial solicitation, such as door-to-door sales, leaving flyers or menus on or under doors, is prohibited within Residential Life communities. More information regarding the advertising policy (RLOP 68) can be found at lsu.edu/housing/files/rlop68.pdf.

Substances

Alcohol

The possession and/or consumption of alcohol while living within Residential Life communities comes with certain restrictions. These restrictions are designed to ensure the safety and well-being of all residents. Residents must conduct themselves in accordance with the Living on Campus Handbook and LSU's Code of Student Conduct policies. Disorderly conduct, disruption of the university functions, and excessive and endangering consumption leading to medical assistance or LSU Police Department intervention are grounds for violation and documentation.

Consumption and/or possession of alcoholic beverages are not permitted by anyone in/on balconies, stairways, hallways, courtyards, parking lots, laundry rooms, or any public area within Residential Life communities. Alcohol containers must be unopened or closed when being transported throughout the Residential Life community. Common source alcohol (kegs, funnels etc.) is prohibited.

Residents may possess a maximum of two empty beverage containers (i.e. bottle, can) per resident of the room/apartment. The containers must be cleaned and repurposed for decoration only. Residents will be assessed a fee to their university account in incidents where the room, apartment, or building alarm system is activated due to the use of these products.

PROCEDURES

Abandoned Property

The Department of Residential Life and their staff are not responsible for any student property left in any on-campus property. In the event property is left in a room or apartment after the housing agreement period is over, or any additional reason given to vacate the housing assignment listed in the housing agreement, the property will be removed and stored in a secure location within the corresponding Residential Life community. An attempt to contact the presumed owner(s) of the property and arrange a retrieval appointment will be completed by Residential Life staff. The property will be disposed of 72 hours after being removed from the room or apartment. Appropriate charges will be assessed to the resident's fee bill.

Accountability Process

LSU Residential Life works collaboratively with Student Advocacy & Accountability (SAA) to address all conduct and accountability concerns. Familiarize yourself with the LSU Code of Student Conduct and SAA processes at lsu.edu/saa.

Assistance or Service Animals

Residential Life is committed to providing access to housing and programs. To correctly complete the registration and approval process for your assistance or service animal, review the information outlined on page 14 and in RLOP 11 at **RLOP 11 at lsu.edu/housing/files/rlop11.pdf**. This policy establishes the process and procedures to enable residents with a disability to reasonably introduce their assistance or service animal into Residential Life communities **before** being brought to campus.

Agreement Appeals

The Department of Residential Life academic-year housing agreement is binding for the full academic year. Exceptions may be made for those residents who have a significant and/or documented medical reason through the appeals process where each request is reviewed case by case. Information regarding LSU Residential Life housing agreement appeals can be found in RLOP 42 at lsu.edu/housing/files/rlop42.pdf.

Agreement Review

The Department of Residential Life reserves the right to either relocate a resident to a different housing assignment or remove a resident from living on-campus based on the criteria outlined within the housing agreement and within RLOP 69 at lsu.edu/housing/files/rlop69.pdf.

Damage Appeals

If a resident is fined for damages to a resident's assigned room, suite, or apartment, the resident is able to appeal the damage charge(s) within 10 business days of the email notification by emailing housing@lsu.edu. All damage appeal requests will be reviewed on a case-by-case basis. Appeals should include at least one of the following criteria: the charge amount is not appropriate for the damage incurred, the resident did not reside in the space when the damage occurred, the resident is not the responsible party for the damage, and/or another individual is taking full responsibility for the damages charged.

Live-on Requirement

All LSU first-year, full-time students are required to live on campus. Guaranteed on-campus housing for first-year students not only provides incredible academic benefits (increased GPA, retention and graduation rates), but it also offers an immediate opportunity for Tigers to make new friends and build a community, which eases the transition between high school and college. Learn more at lsu.edu/exemptions.

Return to Housing from Medical or Behavioral Treatment or Care

For incidents where a resident is transported, voluntarily or involuntarily, to a medical or behavioral health treatment center, the resident may be required to provide information to the Department of Residential Life for the resident to return to on-campus housing.

When a resident's behavior endangers the life of a person, threatens the functionality of a safe and comfortable community, or a resident has a history of conduct violations, the Department of Residential Life may review the resident's agreement for housing. During this process, a decision to terminate the housing agreement, relocate to another on-campus location, or allow the resident to remain in their current location is made.

Room Change Process

A resident may request a room change throughout the semester through their Housing Portal in myLSU. There is a 2-week freeze period at the beginning of each semester until Date of Record (14th day of classes) to view vacancies more accurately for available options. Room changes may occur regularly throughout the semester; however, residents will only be allowed to move during the designated time frames as outlined below and as space allows.

Residents will submit their own requests through the Housing Portal under Forms. On the intake form, residents will submit any room/building preferences, including exact room numbers for a known vacancy or preferred roommate. Residents will acknowledge possible rate increases/decreases based on Residential Life community and room type while completing the form.

If approved for a room change, a resident will receive an email from the Assignment Team with instructions and their newly assigned space. All Residential Life community moves will occur during a weekend, between Friday-Sunday. Residents will schedule a time to check in to their new community between 10 a.m. and 4:30 p.m. on the Friday and are expected to be completely moved out of their old space by 7 p.m. on Sunday. When moving, all residents shall provide their confirmation email to verify their move and are expected to check out of their old space with a Residential Life staff member and return their old key (if applicable). Failure to do so may result in charges to the resident's fee bill.

Residential Colleges -If a resident is assigned and coded as a participant in a specific residential college and then decides to no longer participate, the resident can remain assigned to their current room assignment as a non-participant. However, if a residential college participant requests to move to a different Residential Life community, the student's resident type and program code will be updated to non-participant. Once these codes are updated, the resident may be dropped from the residential college cohort classes. Residents should check with the advisors regarding the status of their residential college classes.

Housing Rates - LSU housing rates are based on the room being occupied at its normal capacity. During fall and spring semesters, if your room becomes occupied at less than normal capacity, you are not permitted to occupy with personal belongings or deconstruct furniture reserved for the vacant portion of your room. You may be contacted by Residential Life to exercise one of the following choices:

When and where available, residents may opt to privatize a partially occupied space by agreeing to pay additional charges for the private room each semester. This option applies only to those living in 2-resident rooms within first-year buildings. The privatization rate for these spaces is 1.5x the double room rate posted for the space being privatized. This process typically takes place after the second week of classes for each term.

Request assignment to another building/room or pull in a desired roommate into the under occupied space.

Identify that you are willing to accept a roommate at any time as directed by Residential Life, which includes leaving the open space available for move-in at all times.

Room changes are subject to pricing changes. Please be sure to discuss any pricing concerns with the Assignments Team. Additional rent charges or refunds, if applicable, will be applied to your student fee bill.

If for any reason you are required or allowed to move to a different residence hall room or apartment, you will be charged or refunded the difference between the two rates (prorated for the remainder of the term). For more information regarding the LSU Housing agreement visit lsu.edu/housing.

Room/Apartment Entry by Staff

Authorized personnel may enter a resident's room or apartment under the following circumstances. Residential Life staff members will lock any unsecured doors found during the room/apartment entry process.

- When occupant in a room/apartment provides permission
- When there is an immediate threat, or reason to believe that there is a threat, to the health and/or safety of residents or property
- When it is necessary to preserve campus order, security, or discipline

- To conduct room inspections prior to a resident moving in

Student Privacy

The purpose of Student Privacy Rights are to inform all concerned of the rights and prerogatives of students under the Family Educational Rights and Privacy Act of 1974 (FERPA) and to outline procedures for those students who wish to inspect, review, amend, or challenge disclosure of their education records.

The Family Educational Rights and Privacy Act of 1974 (also known as the Buckley Amendment) is a Federal law that helps protect the privacy of student education records. The Act provides students the right to inspect and review education records, the right to seek to amend those records, and the right to limit disclosure of information from the records. The intent of the legislation is to protect the rights of students and to ensure the privacy and accuracy of education records. The Act applies to all institutions that are recipients of federal aid administered by the Secretary of Education.

Your FERPA rights begin when you have enrolled; that is, when you have scheduled classes, paid fees and classes have begun. FERPA governs and protects students' rights to their individual educational records. The primary rights protected under FERPA are as follows:

1. Students' rights to review and inspect their educational records within 45 days from the day the University receives a request for access.
2. Students' rights to have their educational records amended or corrected.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the director of the appropriate office, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing will be provided to the student when notified of a hearing.

3. Students' rights to control disclosure of certain portions of their educational records.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an educational record to fulfill their professional responsibility. All students' educational records are open to the president, the vice presidents, the academic deans and directors, and the dean of students. In addition, the following individuals are also Louisiana State University officials:

- A person employed by the University in an administrative, supervisory, academic, research or support staff position, including health and medical staff and teaching assistants and student assistants.
 - A person appointed by the Board of Supervisors.
 - A person employed by or under contract to the University to perform a special task, such as a University attorney.
 - A person employed by the LSU Police Department.
 - A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.
4. Students' right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. For more information regarding student rights please visit lsu.edu/registrar.

Safety

SAFETY

Annual Security and Fire Safety Reports

Per the Higher Education Act of 1965, as amended by the Higher Education Opportunity Act of 2008, the annual Clery Act security report is available at lsu.edu/police.

Emergency Communication

In the event of an emergency, LSU's Emergency Operations Center (EOC) will be activated. The university has multiple ways of communicating emergency situations to students, faculty, and staff:

EMERGENCY TEXT MESSAGING SYSTEM

If you have not already done so, sign up for the university's emergency text messaging system by visiting lsu.edu/eoc.

LSU SHIELD APP

The LSU Shield mobile app is a free tool designed to improve the safety and security of the LSU Community and is available to everyone—students, faculty, staff and visitors.

BROADCAST E-MAIL

Anyone with a university e-mail address will receive broadcast e-mails.

LSU WEBSITE

Access the university web site at lsu.edu for information.

Emergency Preparation

Save the numbers in the purple box above on your cell phone now in case you ever need them. Also, post them in a convenient and visible location at your residence. By saving a few minutes during an emergency, you could save a life.

LSU Shield App

The LSU Shield App functions as a portable emergency button you can carry with you at all times, and is free to download on all Android and iOS operating systems. Downloading the Shield App allows you to instantly place emergency calls to local police, fire, and EMS, and also includes the ability to submit a Safety Beacon, which pinpoints your location to LSUPD and indicates you are experiencing an emergency. Non-emergency reports can also be filed through the app if you observe concerning behavior on campus. Finally, the app provides a helpful list of what you should do if you are experiencing various emergency situations.

Personal Safety

What can you do to protect yourself?

- When walking at night, keep to well lit, commonly traveled routes.
- Familiarize yourself with campus. Avoid taking shortcuts through dark, isolated areas, especially at night. Walk purposefully, know where you are going, and project a confident image.
- If you feel threatened, contact police via the LSU Shield App, locate an emergency phone, or enter a store or place of business even if you have just left it.
- Have your room and car keys ready; carry them in your pockets or have them easily accessible.
- Lock your doors and windows when you are not in your room or are sleeping.
- Do not post personal contact information such as phone numbers or your on-campus address on public web sites or social media.
- Don't feel safe walking at night?
Call Campus Transit at 225-578-5555. If you are coming in late to your residence and do not want to park in the remote lots and walk by yourself, stop by the Public Safety Building on South Stadium Drive and come inside. A driver will follow you to your lot and pick you up and bring you to your Residential Life community. Tiger Patrol, the LSU Police Department's unarmed security force, also provides students with courtesy escorts after campus transit closes each night.

Community Safety

What can you do to protect our residence hall and apartment communities?

- If you see suspicious persons in or around your Residential Life community or feel threatened at any time, contact the LSU Police Department immediately and report it to the service desk of your Residential Life community.
- Never prop open a door.
- Never let someone you do not know into a building.
- Observe all policies and procedures.
- Report any security concerns to a Residential Life staff member.

Stat. §§ 40:978.1-978.2.1, naloxone will be available in common area locations in Residential Life communities. Residential Life staff who manage emergencies in Residential Life communities (or serve as first responders) will be allowed to access and administer naloxone to individuals who are experiencing a medical emergency that is thought to be a result of a drug overdose. The medication will be administered through a nasal spray and is non-reactive if given to a person who is not suffering from a drug overdose.

Severe Weather Procedures

In case of severe thunderstorms or tornados, you should immediately move to the interior of your Residential Life community, away from windows. In the event of a hurricane, the university will provide instructions via the LSU website, emergency text messaging system, and Residential Life emails. In all severe weather situations, be sure to stay in contact with and follow the instructions of Residential Life staff members.

During emergencies, such as severe weather, the Department of Residential Life works with the Emergency Operations Center (EOC) to determine evacuation procedures. Once the EOC has been activated, all members of the LSU on-campus community are required to abide by EOC directives. Prior to an emergency, such as severe weather, you should determine your personal evacuation plan.

Evacuation Procedures

The following locations will be used in the case of an evacuation, such as a fire alarm. Please find the nearest exit and stand at your Residential Life community's assigned meeting area and wait for further instructions. If weather or other circumstances are not favorable for assembly outside, residents and staff will go to the indoor location listed. When a fire alarm or evacuation alarm is activated, you are required to immediately evacuate the building.

Computer labs are available in all on-campus communities. As an on-campus resident, you may use the computer lab by logging in with your myLSU ID. Most labs are open 24 hours. Laser printing is free, but residents must supply their own paper. E-mail stations are available in the lobbies of most Residential Life communities. This allows priority to be given to residents using the computer labs for academic purposes.

Ethernet data ports are available in each room for you to connect a personal computer directly to the campus network. Additionally, all Residential Life communities have high-speed wireless Internet connectivity. High-speed data connections, both wired and wireless are included in the unit rate.

Dining Services • LSU Dining

lsudining.com • 225-578-4300

All first-year students living in Residential Life communities are required to participate in one of the university meal plans offered by LSU Dining. LSU Dining's flexible meal plans offer a combination of meals which are served in the all-you-care-to-eat dining halls and Paw Points which can be used like dining dollars at any retail LSU Dining location around campus. There are two dining halls on campus, one located on the east side of campus and one located on the west side of campus.

Distribution of Advertisement

LSU departments and registered student organizations may present items to be posted within on-campus communities by taking the items to the Grace King Hall front desk for approval and distribution. The name of the department or student organization must be on the advertisement to be posted. Advertisements that are meant to solicit business will not be approved for posting within on-campus communities. More information regarding the advertising policy (68) can be found by visiting lsu.edu/housing/files/rlop68.pdf.

Facility Reservation

Residents may reserve a classroom or conference room within their building. To reserve the space, residents can scan the QR code posted on the room's front door. Students can only reserve spaces in the building they are actively residents in. Reservations are made on a first-come first-serve basis and are managed and approved by the building's Residence Coordinator.

Service Desk

Each Residential Life community has a desk but it may be housed in a building other than your own. Service desk locations are noted in the "Important Numbers" section at the end of this publication. Your community's service desk can assist you in placing maintenance requests, issuing a temporary key to your room or apartment, and locating other on-campus resources.

Service desks are staffed from 7:00 a.m. – 1:00 a.m. Phone numbers will be posted at the service desk should you need assistance outside of those hours. In case of emergencies, you can also contact LSU Police at 225-578-3231.

Equipment Rentals

Every community service desk has different items, such as board games, kitchen supplies, vacuums, etc, available for checkout. In order to check out these items you must purchase an activity card from your Residential Life community staff members. This card can be purchased at move in, or you can contact your in-community staff members to purchase one at another time.

Heating & Cooling

Most Residential Life communities' heating and cooling equipment operates on a system of heated and chilled water. Because the system cannot be switched back and forth quickly, LSU Facility Services evaluates the weather patterns to determine when to switch on and off heating and cooling systems. Residents who have university installed window units are required to keep the air-conditioner plugged into the proper electrical outlet. Personal and/or privately owned air-conditioning units are not allowed in Residential Life communities.

Insurance—Property

LSU assumes no responsibility for any loss or damage to your personal property. If your belongings at school are not covered by a homeowner's policy, Residential Life recommends that you purchase renter's insurance. Visit with your current insurance agent about options, as well as review resident-specific insurance vendors to make the best choice for your family.

Laundry Facilities

You are responsible for your own laundry items and for following the proper procedures in washing, drying, and removal from provided machines. The university does not offer a linen service. It is your responsibility to learn the proper operation and care of the items by reading the appliance guidelines.

Laundry in the Residence Halls

Washers and dryers can be found in residence hall laundry rooms. All laundry facilities are equipped to accept either coins or TigerCash. You can check the availability and status of washers and dryers via the Speed Queen app and entering the password LSU001. You can also have an e-mail sent telling you when the laundry cycle is complete or when a machine becomes available.

The Department of Residential Life and its staff are not responsible for any student property left in any on-campus property. In the event Residential Life staff become aware of property left in a washer, dryer, or laundry room for an extended period of time, the property will be removed and stored in a secure location within the corresponding Residential Life community. An attempt to contact the presumed owner(s) of the property and arrange a retrieval appointment will be completed by Residential Life staff. The property will be disposed of 72 hours after being removed from the washer, dryer, or laundry room. Appropriate charges could be assessed to the resident's fee bill.

Adding and Tracking Funds:

Tracking your funds for laundry could be done online at <https://tcard.lsu.edu>. Here you would be able to add funds via credit/debit card and/or check and manage your account.

Request a laundry refund at lsu.edu/housinghelp.

Mail Delivery

uas.lsu.edu

All campus residents are assigned an LSU Box at the mail center in the LSU Student Union, and the fee is incorporated into the residence hall rent charge on the fee bill.

Students receive their mailbox number and mailing address via email.

This box is able to receive both regular mail and packages. The student's name and mailbox number must be on all mail and packages. A notification email will be sent to alert for both mail and packages. Bring a picture ID to claim packages.

How to address mail and packages to an LSU Box:

Student's Name
101 LSU Student Union Bldg.
LSU Box # _ _ _ _
Baton Rouge, LA 70803

Residential Life communities will accept deliveries (from local businesses only) of flowers, cut fruit bouquets, or cookie bouquets. For the safety and security of residents, the residential service desk staff is unable to verify, identify, or disseminate the contact information (including phone numbers) of specific residents. If the delivery agency requires a signature or direct contact with the receiving resident, the aforementioned resident's phone number must have already been provided with the order by the ordering party. After receiving delivery, the service desk worker will notify the resident through their LSU e-mail that they have a package to pick up. The Department of Residential Life is not responsible for lost packages.

Use the following address format when receiving perishables (ONLY those mentioned above):

Student's name
Room number and building name
Louisiana State University
Baton Rouge, LA 70803

Students who officially resign from the University or move off campus before the 14th day of class can get their mailbox fee refunded. After the 14th day of class there is no refund of the mailbox fee.

Maintenance

The Department of Residential Life staff members provide safety equipment inspections, general maintenance (painting, plumbing, electrical maintenance, and carpentry), and custodial services. Residential Life custodians clean all public areas of residence halls and apartment communities, including lobbies, hall and suite bathrooms, corridors, study rooms, kitchens, and laundry rooms.

Apartment residents are responsible for cleaning their own apartment, room, and bathroom.

If you have maintenance needs or damages, report them online through your housing portal. If the problem is not resolved, the in-community Residential Life professional staff members should be contacted. If emergency repair work is needed after 4:00 p.m. on weekdays or anytime on weekends, consult the community service desk.

Parking

Selection of your parking tag occurs when you register for classes. You are responsible for following all university parking regulations. A copy of these regulations may be obtained from Parking & Transportation Services, located in the Public Safety Building or by calling 225-578-5000.

Pest Management

The Department of Residential Life manages a proactive program to eliminate pests (roaches, ants, spiders, etc.). All Residential Life communities are treated quarterly. Additionally, there are perimeter treatments designed to eliminate unwanted pests from our Residential Life communities.

However, poor housekeeping in your room can be an attraction for a pest looking for a new home or for food. A pile of clothes and food crumbs on the floor offers a home and a meal for an unwanted guest. If you discover a pest in your room, notify the service desk immediately.

Vending / Ice

For your convenience, there are vending machines in all Residential Life communities and ice machines located in most residence halls. Please contact in-community staff members for location. Ice machines are not provided in the apartment communities.

If you need to report an issue with a vending machine or request a refund, please visit lsu.edu/housinghelp.

Louisiana State University
Department of Residential Life
2024-2025 Housing Agreement

1. **ACCEPTANCE OF AGREEMENT:** Provide your signature, age, and date in the designated blanks at the end of this agreement. If you are less than 18 years of age, your parent or guardian must also sign and date this form. By electronically signing this agreement through the myLSU Housing Portal, you are agreeing to the terms and conditions set forth below. Any deviation from any term or condition of this agreement must be in writing and signed by someone with appropriate authority.
2. **DEFINITION OF TERMS:**
 - a. This agreement governs all residence halls, East/West Campus Apartments, and Nicholson Gateway Apartments.
 - b. The term "LSU housing" applies to all housing on campus operated by Residential Life.
 - c. The term "Academic Year" is based on the LSU regular academic calendar published in the LSU General Catalog.
 - d. The term "student" or "resident" refers to the individual occupying the space on campus.
 - e. The term "full-time student" refers to an individual taking 12 credit hours or more for either fall or spring or 6 credit hours or more for summer through a sponsored LSU academic program.
 - f. The term "part-time student" refers to an individual taking less than 12 credit hours for either fall or spring or less than 6 credit hours for summer through a sponsored LSU academic program.
 - g. The term "open community" refers to a building that is designated to remain open during routine closures.
3. **ELIGIBILITY:** With limited exceptions, you must be a full-time LSU student in an LSU-approved program to enter into this agreement and begin living in LSU housing. Dropping to part-time status after a semester starts, however, shall not terminate this agreement. If space is available, Residential Life at its sole discretion may permit a part-time LSU student to live in LSU housing. It is your sole obligation to promptly notify Residential Life of any change in enrollment or status with the university.
4. **AGREEMENT PERIOD:**
 - a. **Duration of Agreement:**
 - i. **Residence Hall Buildings:** Students living in the residence halls have a 9-month agreement. Residence halls will close for the break between fall and spring semesters when classes are not in session. Requests for break housing must be submitted at least one week prior to hall closures. LSU does not guarantee temporary or interim housing during breaks between semesters for students in residence halls that are closed during these periods. Residence halls will close the last day of finals for the fall and spring semesters.
 - ii. **East Campus Apartments:** Students living in East Campus Apartments have a 9-month agreement and may remain in their assigned space between fall and spring semesters while classes are not in session. East Campus Apartments will close the last day of spring finals. Graduating students in East Campus Apartments may request to remain through Spring Commencement but must vacate no later than the day of commencement. Residents of East Campus Apartments seeking summer school housing will be required to relocate to an open community.
 - iii. **West Campus Apartments:** Students living in West Campus Apartments have a 9-month agreement and may remain in their assigned space between fall and spring semesters while classes are not in session. West Campus Apartments will close the last day of spring finals. Graduating students in West Campus Apartments may request to remain through Spring Commencement but must vacate no later than the day of commencement. Residents of West Campus Apartments seeking summer school housing will be required to relocate to an open community.
 - iv. **Nicholson Gateway Apartments:** Students living in Nicholson Gateway have an option for either a 9-month agreement or a 12-month agreement. Students who complete a 9-month agreement must vacate their space the last day of spring finals. Graduating students in Nicholson Gateway Apartments may request to remain through Spring Commencement but must vacate no later than the day of commencement. A 12-month agreement is available at the time of agreement, or a student may opt-in at a later date, allowing the student to live on campus through the summer. Registration for summer classes is not required to occupy Nicholson Gateway during summer months; however, students must be a current Nicholson Gateway Apartment spring resident or have a future fall reservation in Nicholson Gateway Apartments to be eligible for housing during summer months. Graduating students with a 12-month agreement must vacate no later than the last day of finals. Students living in other communities who are wishing to live in Nicholson Gateway Apartments for only summer months may be assigned to an available space; however, students must be registered for summer school classes. Students with summer only agreements must vacate by the last day of summer finals.
 - b. **Occupancy Dates:**
 - i. Residence Halls: Buildings typically open in August the week before classes start, and close on the last day of finals

- for the fall and spring semesters.
- ii. **Apartments:** Apartment communities typically open the weekend before classes start and close on the last day of spring finals.
- iii. **Exception:** There are special condition apartments in apartment communities that have a different move-in or move-out date than the remainder of the apartment community. Students in special condition spaces will be notified of restrictions at the time room assignment is made.
- iv. **Summer Occupancy:** Nicholson Gateway Apartments will open the weekend before the enrolled summer session begins and will close on the last day of the student's summer enrollment. Students in other communities seeking summer housing will be relocated to an open community.
- v. Any student not enrolled in spring classes must vacate by the last day of finals for the fall semester.
- vi. A graduating student must vacate East/West Campus Apartments or Nicholson Gateway no later than the day after commencement. A graduating student in any other building must vacate by the last day of finals.
- c. If your approved academic program operates on a different calendar from that of the regular Baton Rouge campus (such as programs offered through the Paul M. Hebert Law Center), be aware that LSU housing may be closed during some periods in which your academic program operates. If your approved academic program requires you to arrive on campus early, you may be subject to an early arrival fee. The student's sponsoring program must contact LSU Residential Life to make arrangements on behalf of the student.
- d. Moving out of LSU housing before the end of spring semester without a qualifying reason is a violation of this agreement, and you will be assessed charges and penalties as outlined below.

5. ASSIGNMENTS:

- a. **Assignment and Transfer Prohibited:** This agreement is not a lease. It is an agreement for assignment of space within LSU housing. Assignment, trading or transferring of your assigned space is prohibited. No provision of this agreement may be transferred or assigned. LSU reserves the right to reassign you to a different room or building.
- b. **Room Changes:** If for any reason you are required or allowed to move to a different space within LSU housing, you will be charged or refunded the difference between the two rates (prorated for the remainder of the term).
- c. **Partial Occupancy:** LSU housing rates are based on the room being occupied at its normal capacity. During fall and spring semesters, if your room becomes occupied at less than normal capacity, you may be contacted by Residential Life to exercise one of the following choices:
 - i. **Privatization:** When and where available, students may opt to privatize a partially occupied space by agreeing to pay additional charges for the private room each semester. This option applies only to those living in 2-student rooms within first-year buildings. The privatization rate for these spaces is 1.5x the double room rate posted for the space being privatized. This process typically takes place after the second week of classes for each term.
 - ii. **Consolidation:** Request assignment to another building/room or pull in a desired roommate into the under occupied space.
 - iii. **Abstention:** Identify that you are willing to accept a roommate at any time as directed by Residential Life, which includes leaving the open space available for move-in at all times.
- d. **Ineligible Occupants:** Rooms may only be occupied by residents assigned by Residential Life. If you allow anyone else to move into or stay in your apartment, suite, or room, you may be removed from campus housing. Overnight guests are permitted in LSU housing but are subject to the conditions and approval process outlined in the *Living on Campus Handbook*.
- e. **Online Renewal:** You may be given the opportunity to renew this agreement for an upcoming year. If you choose to renew, you will be bound by and subject to all the terms and conditions of this agreement and any additions, deletions, or modifications contained in the online version that you accept, authorize, or agree to electronically in the manner prescribed online in lieu of a handwritten signature. A non-refundable \$250.00 pre-payment toward housing charges is required for renewals.
- f. **Housing Cancellation/Withdrawal:** You must submit any housing cancellation at www.lsu.edu/cancelhousing. Charges for cancellation/withdrawal and any refund shall be determined as outlined in sections 7 and 8 below. Cancellations submitted to other university departments may not be honored.
- g. **Room Assignments and Inspections:** LSU reserves all rights in connection with assignment of rooms. LSU shall have the right to enter and inspect rooms to perform university functions and respond to emergency situations.
- h. **Summer Transitions:** Students requesting summer housing may be required to relocate to alternative spaces as deemed necessary by Residential Life. This includes but is not limited to intersession or interim housing assignments that may differ from a summer assignment.

6. CHARGES:

- a. LSU housing rates will be established and published by Residential Life on its website.
- b. Payment shall be made or deferred no later than the first day of class for the fall, spring, and summer semesters,

respectively.

- c. All utilities (electricity, water, sewer, and waste disposal), basic cable service and internet service are included in all rooms. Additional cable services may be obtained by contacting Cox Communications.
- d. All students living on campus are assigned an LSU Box at the mail center at the LSU Student Union. A charge of \$37 will be assessed on the student fee bill by LSU Auxiliary Services each semester that the student lives on campus.
- e. **First-year Students:** If you do not have an assigned space on campus by July 1, you will be responsible for 100% of the lowest two-person priced room offered. Upon assignment to a space, your charges will be adjusted to account for the assigned space.
- f. **Upper-class Students:** If you do not select a space on campus by July 1, you will be responsible for 100% of charges for the lowest four-person/two-bath apartment on campus.
- g. LSU Housing rates are subject to change at the beginning of any academic term.

7. AGREEMENT PROCESSING FEE/NONREFUNDABLE PRE-PAYMENT:

- a. New agreements: A \$75.00 non-refundable processing fee shall be paid to the university when a new agreement is submitted.
- b. Renewed agreements: A nonrefundable pre-prepayment of \$250 towards housing charges shall be paid to the university when an agreement is renewed. Cancellation at any time after renewal forfeits the entire nonrefundable pre-payment. The nonrefundable pre-payment will be applied to the student's fall housing cost via the fall fee bill.

8. REFUNDS/PENALTIES/WITHDRAWALS/CANCELLATIONS: Full cancellation penalty details can also be found at <https://www.lsu.edu/cancelhousing>. In order to be eligible for refunds, students must cancel properly with Residential Life. If you cancel your housing assignment or withdraw your housing agreement, your rate will be charged or refunded as follows:

- a. **Cancellations received between June 1 and June 30:** A \$250.00 cancellation penalty will be applied.
- b. **Cancellations received after June 30 but before fall classes begin:** A \$500.00 cancellation penalty will be applied.
- c. **Cancellations received on or after the first day of classes of the fall semester, but before the end of the spring semester for students who remain enrolled at LSU:**
 - i. If you move out without resigning from LSU, you are responsible for the full cost of your assigned room for the fall and spring semesters. If you graduate in the fall semester, are academically ineligible to return for the spring semester, or withdraw from LSU prior to the first day of class of the spring semester, your spring charge will be reversed as per section 8.f. You must properly cancel your housing agreement before the first day of classes for the spring semester and in accordance with section 5.f.
 - ii. If you did not live in LSU housing for the fall semester and properly cancel your housing agreement before classes begin for the spring, your charge will be reversed as per section 8.f.
- d. **Cancellations received on or after the first day of class of the fall semester but before the end of the spring semester for students who withdraw from LSU:**
 - i. If you withdraw from LSU prior to or on the final day to receive any refund of university fees as published in the Schedule Booklet by the Office of the University Registrar for a given term, you will only be responsible for the cost of your assigned room for the associated term through the night that you properly check-out of your space.
 - ii. If you withdraw from LSU after the final day to receive any refund of university fees as published in the Schedule Booklet by the Office of the University Registrar for a given term, you will be responsible for the full cost of your assigned room for the associated term.
 - iii. If you withdraw from LSU during the fall semester, you will still be billed the spring charge for your assigned room. If you remain unenrolled for the spring semester, that charge will be reversed as per section 8.f.
- e. **Failure to cancel or claim room by 11:59pm on the first class day of the fall, spring, or summer term:**
 - i. Students not enrolled at LSU: A \$1,000.00 penalty will be applied for the associated term. If you fail to cancel or claim your room for the fall semester, you will also be billed the spring charge for your assigned room as per section 8.f.
 - ii. Students enrolled at LSU: You are responsible for the full cost of your assigned room for the fall and spring semesters as per section 8.c.
- f. **Spring charges:** This agreement covers the fall and spring semesters for all students. If you cancel your agreement in the fall semester, you remain responsible for charges for the spring semester for your assigned room. However, if you do not register for spring classes at LSU, your spring charge will be reversed after the 14th class day of the spring semester.
- g. **Summer charges:** For enrolled and unenrolled students who elect to live in summer housing for the summer months, if you cancel your summer housing assignment on or after the first day of classes of the summer term, you will be responsible for the full cost of your assigned room for the summer term.
- h. If you are required to move out of LSU housing as a result of disciplinary action, your charges will be calculated as in 8.c., 8.d., and 8.g.

2024-25 HOUSING AGREEMENT

- i. If you defer your enrollment to a subsequent term with the LSU Office of Admissions, you must forward confirmation of your deferment to Residential Life. Penalties will not be waived until you move into your assigned space for the subsequent term.
 - j. If you are a first-year student and receive an exemption to the university requirement to live off-campus for your first year, you must properly cancel your housing agreement by the dates listed in sections 8.a., 8.b., and 8.c. to avoid the associated cancellation penalties. Cancellations after posted dates do not remove penalties from a student granted with an exemption. Full details regarding obtaining an exemption to the First-Year Housing Expectation can be found at lsu.edu/housing.
9. **CONDUCT:**
- a. You shall abide by the terms and conditions of the *Code of Student Conduct*, *Living on Campus Handbook*, and all rules and policies of Residential Life and LSU.
 - b. **Termination of Agreement:** LSU, at its sole option, may terminate this agreement for violation of the terms and conditions or for any violation of LSU policies, regulations, *Living on Campus Handbook*, the law, or the *Code of Student Conduct*. Failure to enforce strictly or promptly any of the terms and conditions of this agreement by LSU shall not operate as a waiver of any of LSU's rights as provided herein. You must advise Residential Life immediately if you are arrested for, convicted of, or plead guilty to a crime other than a minor traffic offense or if any such criminal action is pending or expected to be brought against you. LSU, at its sole option, may terminate this agreement if you complete, withdraw, or are removed from the approved LSU program which enables you to live in LSU housing. LSU, at its sole option, may terminate this agreement if you fail to pay outstanding balances due to LSU. Housing assignments will be cancelled if classes are not scheduled by the published fee bill due date.
 - c. **Safety Hazard:** LSU, at its sole discretion, may terminate this agreement without prior notice if it reasonably believes that your continued occupancy presents a safety hazard to yourself or others or that it is detrimental or disruptive to others.
 - d. **Unauthorized Room Changes:** Students found to have performed a room change that has not been approved or processed by Residential Life may be subject to a \$300.00 fee and submitted through the Student Accountability process.
 - e. **Care of Space:** You are responsible for your assigned space. Cleanliness issues with your space may result in charges for cleaning, pest/insect eradication, and other damages. LSU, at its sole discretion, may terminate this agreement without prior notice should you not abide by the health and safety guidelines outlined in the *LSU Living on Campus Handbook*.
 - f. **Tobacco Free:** The use of tobacco and tobacco products is prohibited on campus. All LSU housing facilities are tobacco free. Use of any tobacco product or electronic cigarette is not permitted inside any LSU housing rooms, lobbies, hallways, bathrooms, or any other area inside or around any building.
 - g. **Prohibited Items:** Pets, guns (including but not limited to firearms, BB guns, pellet guns, air pistols, and paint guns), ammunition (including spent shell casings), explosives, and illegal drugs are not allowed in LSU housing under any circumstances. Any violation of this provision may result in immediate termination of this agreement. A full list of prohibited items is provided in the *LSU Living on Campus Handbook*.
 - h. **Alcoholic beverages:** Possession and consumption of alcoholic beverages in LSU housing shall be in accordance with Residential Life, LSU, state, and federal regulations, statutes, and policies.
10. **LIABILITY FOR DAMAGES OR LOSS:** You are liable and shall pay for any damage you or your guests cause to university property. You may also be held liable for and shall pay a share of damages to your residence hall. You are responsible for securing your personal property and your assigned room at all times. LSU assumes no responsibility and shall not be liable for any loss of or damage to your personal property and you agree to hold LSU harmless for any such loss or damage.
11. **FACILITY/EQUIPMENT MALFUNCTIONS:** In the event of a malfunction of mechanical equipment in your residence hall, university personnel shall make every effort to restore operations quickly and/or make reasonable accommodation to compensate temporary outages.
- a. In the event of an equipment malfunction or maintenance issue, you are required to immediately notify Residential Life professional staff via a work order either reported directly to the front desk of your assigned building or via the self-service work order system, Maximo, online. Text, GroupMe, and social media posts do not meet these requirements.
 - b. *Refunds of housing charges are not made for suspension of services caused by equipment malfunctions.* If suspension of service is prolonged, Residential Life at its sole option reserves the right to terminate this agreement and refund the remaining part of the semester housing charges. If a particular malfunction continues for more than 10 days, you have the option to request to be moved to another room and you will be reassigned, provided space is available. In that case, if you exercise the option to request assignment to another space, you will be charged or refunded any difference in rates. Failure of facilities systems does not constitute automatic termination of agreement.
12. **MOLD/MILDEW CLAUSE:** You acknowledge and understand that (a) the assigned space is located in a climate with temperature, humidity, and other naturally occurring conditions that normally allow the growth of mold and mildew in locations where

2024-25
HOUSING AGREEMENT

dampness or moisture are present; and (b) upon moving into the assigned space, you will have control over and knowledge concerning conditions in the interior of the assigned space. Therefore, you agree to:

- a. Set thermostats to provide appropriate climate control. If directions are provided, please follow instructions.
- b. Maintain the assigned space in a clean condition by mopping, vacuuming, or wiping hard surfaces with a household cleaner.
- c. Remove visible moisture or condensation on floors, walls, windows, ceilings, and other surfaces promptly.
- d. Take other measures as may be necessary to prevent mold or mildew from accumulating in the assigned space (including without limitation to reporting immediately to the university any evidence of water leaks or mold or mildew-like growth).
- e. Follow the additional guidelines that can be found on our website at www.lsu.edu/housing.

13. **VACATING PREMISES:** Upon expiration or termination of this agreement for any reason, including removal for misconduct or loss of eligibility, you agree to vacate the premises, as instructed and before the deadline prescribed in the notice provided. You agree to remove all personal items and garbage/debris, and leave the premises clean and in good condition, normal wear accepted. The failure to vacate the premises within the time provided and without the consent of Residential Life will be considered trespassing. Any individual who fails to vacate the premises is subject to a daily charge based on the rent rate of the assigned space. Additional charges may apply as follows:

- a. If you fail to follow the proper procedure to check-out of your room, you will be assessed an improper check-out charge of \$50.00. In addition, if you fail to check out by the date and time announced for the closing of your hall or the end of your occupancy period, you will be assessed an additional daily rent rate for your assignment until you complete a proper checkout. This is in addition to any other damage charges or service fees for which you may be liable.
- b. Upon checkout, or upon termination of this agreement, all items (including personal property, garbage, and debris) must be removed from your assigned space and LSU property. Any items remaining will be disposed of by Residential Life and will subject you to a fee of \$300.00 for removal and disposal. The university is not responsible for any personal property remaining in your assigned space or on LSU property after checkout or termination of this agreement.
- c. Requests for extensions must be submitted no later than 72 hours prior to the end of the current term. Extensions are not guaranteed.

14. **INDEMNIFICATION AND LIABILITY FOR DAMAGES:** You agree that the university does not promise, warrant, or guarantee your safety and security, or that of your guests, or your personal property against criminal actions of other residents or third parties. Furthermore, the university shall not be liable for any damage or injury to you, your guests, or your personal property or to any person entering your assigned space or the building in which you reside, for injury to person or property or property arising from theft, vandalism, or casualty occurring in the assigned space or the building in which you reside. You agree to indemnify and hold harmless the university and its respective agents and employees from and against all claims, actions, judgments, damages, liabilities, costs, demands, losses and expenses (including, but not limited to, injury resulting from engagement, involvement, or participation by you or any of your guests in any event sponsored by university), unless such injury is caused by the negligence or intentional conduct of the university or its agents or employees. You hereby release and forever discharge and hold harmless the university and its agents and employees from any and all demands, causes of action and/or judgments of whatsoever nature of character, past or future, known or unknown, whether in agreement or in tort, whether for personal injuries, property damage, payments, fees, expenses, or any other monies due or to become due, or damages of any kind or nature, arising out of, in any way, this agreement and the use of LSU housing. It is recommended that you obtain and maintain adequate renter's insurance at your own expense.

15. **FORCE MAJEURE:** The university's duties and obligations under this agreement shall be suspended immediately without notice during all periods that housing is closed because of force majeure events including, but not limited to, any fire, act of God, hurricane, war, government shutdown, order or action, government-mandated evacuation, act of terrorism, epidemic, pandemic, or any other event beyond Residential Life's control. If such an event occurs, Residential Life's duties and obligations in this agreement will be postponed until such time as Residential Life, in its sole discretion, may safely reopen housing. In the event that Residential Life operations are suspended due to an event under this clause, Residential Life is under no obligation to refund any amounts paid.

16. **PHOTO/VIDEO DISCLOSURE & RELEASE:** Residential Life has the right to reproduce, use, exhibit, display, broadcast, distribute and create derivative works of university-related photographs or videotaped images taken in public spaces of on-campus housing residents, visitors, and guests for use in connection with the activities of the university and Residential Life or for promoting, publicizing, or explaining the university and Residential Life. Residential Life has the right to provide photographs or videotaped images taken via university surveillance equipment to the University Police Department, Human Resources, and for Student Accountability process. Residential Life and the Office of Communications and University Relations is hereby granted an indefinite, royalty-free license and all rights, title, and interest a subject may have in any finished photographs, print pieces, electronic versions, videotapes and/or sound recordings generated in the public areas of the LSU campus and LSU housing for the purpose and promotion of Louisiana State University by the LSU Office of Communications and University Relations and/or Residential Life.
